

## Guide My Virtual W@y of Counselling!

3rd transnational meeting of the Guide My W@y project in  
Katowice, Poland (10.-11.03.2016)

The Guide My W@y project has successfully completed the third international project meeting in the city of Katowice in Poland. It has successfully achieved most of its aims and products, including the eGuidance Concept for International Youth Mobility which can be downloaded from the Interactive E-Learning Internet Portal: [www.guidemyway.eu](http://www.guidemyway.eu) and [www.guide-my-way.eu](http://www.guide-my-way.eu).

Furthermore the partners created different E-Learning tools which depict an autodidactic training of the eGuidance Concept on the Interactive E-Learning Internet Portal. The project is also currently accomplishing a training of the EURES and other counsellors within the project in the field of virtual counselling.

The project partners from Germany, Spain, Poland, Czech Republic and Lithuania are guiding the project towards the final perspective of counselling in the virtual world until the end of the project on August 31, 2016.
